Priscilla,

I'm so sorry. This little project completely slipped my mind. I will make copies of the listed (if I can find them) Monday and mail them to you.

Subject: Cottonwood Wilberg MRP missing maps

Hello Dennis,

I was just reminded by one of our staff that the Salt Lake office copy of Cottonwood/Wilberg MRP is missing some maps. We are still missing the following plates:

Vol 6, map 3-16 WS449D  
Vol 6, CM10581WB1 of subsidence monitoring overlay  
AppIII, all 9 plates associated with overland tube  
App VII, CM 10361WB  
App VIII, plates 7704-C70, -C71, -C81, -C89, C90  
App XII, map 3

We are also still missing the entire Appendix III, Cottonwood Overland Tube information.

Thank you for helping correct this situation.

Priscilla Burton
